

GARDENER RESPONSIBILITIES

Interested in participating in the garden collective as a gardener?

STEP 1: Complete questionnaire online

STEP 2: Kelsey will follow-up with an email regarding next steps!

STEP 3: Attend introduction meeting

STEP 4: Schedule a time to assess and plan your garden with Kelsey or a Garden Steward.

STEP 5: Build/prepare future garden sites with volunteers & Garden Steward

STEP 6: Receive seeds or transplants throughout the months of April, May & June

STEP 7: Connect with those in your garden neighborhood to grow, harvest and learn together!

STEP 8: Harvest on Sundays throughout summer and bring to church to share

IMPORTANT INFO

DATES

Follow @theophilusgarden on Instagram for updates!

If you have any yard space, raised beds, outdoor or indoor containers we want you to join us in growing food!

If you will be gone for an extended time during the summer don't let that stop you from joining! Our hope is to connect you to those in your community to share responsibilities.

Time Commitment: 6-10 hours per month (especially spring/summer)
